Gentlemen

Enclosed find list of pieces I have disposed of, I would like an 1795 lettered Edge Thick cent the same color as the #1-40 cents, for my own Collection but I cant go so high in price just now. I would like to have send this lot to my friend in Grand Rapids. I think he would of bought quite a nice lot. If you will write him, you may be able to do some business with him, he wants to better his collection of cts. his address is Mr F.H. Stewart 43 Fountain St. Grand Rapids Mich these pieces I sold I had to give some time on them as an Inducement to make sale. I must to you as soon as I make collection for them. I wish I could afford to keep the lot for myself they are a fine lot of cts & ½ cts. I have been very careful with them & have not allowed any finger marks on any piece whatever, And sorry could not sell more of them.

Respectfully Yours

Gentlemen

Enclosed find ck for $5.00 Bal of my W to you. I want to close this before the end of this year. Besides I want to thank you for the patience you have had with me in this matter. I am awfully sorry I had to string it out so long, but as the old saying is better late than never. I hope this delay on my part has not lowered me or my credit in your estimation. My Dark Cloud has passed over, and the silver lining is again appearing and I am still on top. although I sustained losses of over $70.000 within the past year or so, I would not wish my worst enemy to pass through what I have done within the last year.

Respectfully yours
